Mr. D. A. White,

San Francisco, Calif.

Dear Sir:-

Attached is a circular received from Mr. J.H.Burnett, Chief Special Officer of the Rock Island Lines, El Reno, Okla., in which the Rock Island Railroad offers $1000.00 reward for information leading to the arrest and conviction of three men who robbed and murdered Patrolman Charles F. Artz, in the Cline Yards, Wichita, Kansas, on June 27th, 1920.

You will note that among the articles taken from Patrolman Artz' person, was a 38 Smith and Wesson Special pistol, serial No. 115241. They may also have a Colt side break 38 pistol No. 954. Would suggest that description and numbers of both these guns be given to pawn shop detail with a view of having the pawn shops in this city searched for them.

Yours very truly,

D. O. Hamill
